PRAYER

*Dear heavenly Father,
Thank you for Your magnificence and goodness. Give us humbled hearts especially in this time leading up to Easter. Remind us of Your sacrifice and give us an increased desire to know You. May we experience even more of You in our daily lives.*

Cover our church and the leadership with Your Grace, giving them wisdom and clarity of Your Will. As a congregation may we give support through fervent prayer and understanding.

We continue to pray over Pastor Lee's family, for Your peace and love to be over them, as well as others who are grieving. May all glory and honor be given to You, in Jesus' name Amen.

What are your spiritual gifts and how do you think God uses them?

My spiritual gifts are leadership and serving. God uses these gifts in my everyday life to spread his love and power to those around me.

What is something about you that might surprise others?

I look very intimidating, but I am not that scary once you get to know me. Hopefully...

What do you worry about the most?

Currently I am worrying if I am following God's plan for me. I have been praying about my future career, hoping that it is all according to what he has stored for me.

What do you find the most encouraging about the future?

Overcoming hardships that is in my way currently and becoming a faithful servant.

Tell us about your current challenges. How can we pray for you?

Due to quarantine, I haven't been spiritually active as much as I usually was. Please pray that I will always stay faithful and humble to God.

What are you studying and why?

I am studying Computer Science currently. I chose CS because I loved to problem solve ever since I was a kid. Things like Rubik's cube, puzzles, and algorithms were enjoyable and exciting to me.
