Prayer

Psalm 51:10-12 - "Create in me a pure heart, O God, and renew a steadfast spirit within me. Do not cast me from your presence or take your Holy Spirit from me. Restore to me the joy of your salvation and grant me a willing spirit, to sustain me."

- Pastor Sam's family is moving in today, so let's pray for their family's safety and for our congregation to help his family feel welcomed.
- COVID and all the issues around it continue to remain political and disputed while the number of cases rise. Some people maintain their disbelief regarding the virus and, therefore, refuse to make appropriate efforts
- May God have His way in all the ministries in our church and around the world. May we seek moments of peace and comfort in the presence of our Lord where we can be refreshed.

Prayer: Father, thank you for loving us first and for loving us perfectly. We love to be in your presence, and we seek to know you more. Please continue to be with the ministries of our church and with Pastor Sam. Please bless the ministries of this world, and please heal the world from the pain and lies that are circulating in the midst of COVID. Even when the world is not, and even when we are not, you are perfect, holy, and good. Thank you for your mercy and grace. Amen.

Spiritual Gifts and How God Utilizes Them:

Leadership- praise team, discussions, cell group, leading by example.

During this quarantine, what do you think God has been pressing on your heart?

Build my foundation with God, build good habits in prayer and reading, learn what it means to serve others.

Major: Chemical Engineering
Minor: Computer Information Science

My dream is... to travel to as many countries as possible.

The biggest challenge I was faced with during this life stage was.. separating world from God.

Advice I would give to students trying to adjust to college life is... try as many things out as possible.
